OFFICE OF CHAIRMAN OF RATIFICATION
MRS. LILLIAN H. OLNEY
WOODSTOCK VERMONT

Mr. Ashley Goss

Dear Sir:-

When in Caledonia County last Friday I was about to call upon you when I was told by St. Johnsbury people that you were attending the Masonic conference in that city and that I might see you after four o'clock. I called at the building about five being delayed by a puncture, but was told you were not there and had not been there!

You have doubtless received certain letters from me this month asking for your signature on petition to Governor Clement for special session. Knowing that you will want your name to appear with the long list of prominent legislators already secured, I trust that you will sign one or the other of enclosed blanks and forward same to me at your earliest opportunity.

Very truly yours,

Chairman of Ratification
