Brandy Station Va. April 25<sup>th</sup> 64

Dear Parents & Brothers; It is  
a nice spring morning, sun is rising &  
warm that I seat myself to  
answer your letter dated the 20<sup>th</sup>  
which I recd last night.  
My health is good I got entire-  
ly well of some days ago so that  
I feel better now than ever be-  
fore, dont have any fears about  
my healths failing me this  
summer, for marching wont come  
so hard on me as it did last year  
for I <sup>am</sup> strong & feel & better able to  
carry a load than I was then,  
you spoke about sending a box  
of stuff, I do not wish to  
have you, for my appetite is good  
& what I get tastes good time,  
besides we shall perhaps  
move very soon, Gen. Meade
