My dear Sister —

Your letter written at Springfield, and mailed Mar. 31st reached me this afternoon; it came very quick; I wish all my letters would come as quick, or if that cannot be, I wish they would come some time. Your letter satisfies me that I do not receive all the letters you write me, or at least that I have not read them, tho' 'tis possible they may yet come along. You say "Father & mother went out to see Dr. H. Mother wrote you after she got back as I suppose she told you all there was to tell about it." I have not seen such letter; possibly it may
