Office of the Commissioner of Patents
Washington D.C.

Brattleboro Aug 8, 58

Dear Geo. S. March & John N. Pomeroy Esq.
Gentlemen,

All things considered, I think if you can make it convenient to come to Brattleboro this week Thursday Evening or Friday morning it will be well. I shall have the Ethaw Allen Statue sufficiently far advanced to give you a good idea of its general effect. On Friday the wooden figure will be in a condition to be seen. It has to be worked lying down and on Friday the front will be partially finished (the carrying) and it will be standing up ready to turn for finishing the back. As the wish is to have the Allen Statue finished July 4. 59. I think the
