

Brattleboro 15 April 1859

Now Geo. C. March, Gen. John H. Pomroy
Gentlemen.-

I wish to say a few words concerning the Ethan Allen Statue. I wrote to Mr Baxter two months ago telling him if he felt disposed to get out a piece of marble of the necessary dimensions for the Statue. I have not heard from him but think very likely he intends to get it out.

I should like to go to Rutland and find out how the matter stands. I should also like to take the model to Montpelier at the time of next Legislature, for I think it would help very decidedly in getting an appropriation.- Would it be just that such expense should be paid from the funds in your hands. I have been at considerable expense and do not feel able to expend much more, my pocket being quite small.- I have a paper with a
