I mailed a letter
to you the 15th but getting
yours to night & you speaking
about an after boy I will
write again this evening you
asked me if there is
any thing that I want
there is some things that
I would like I will men-
tion some good
paper & envelopes dried fruit
as much as you can spare
and a tub of butter and
cheese these are the most
essential things for we
have good bread & very
good tea & if we can
